

ASANSOL GIRLS' COLLEGE

NOTICE

Lecture and Demonstration on Thermal Therapy by NUGA BEST: An Alternative to Formal Medical Treatment.

Date: 29.08.2023

Time: 2:00 pm

Venue: Rabindra Kaksha, Asansol Girls' College

Dear Students, Teachers and Non-Teaching Staff of the College, we are excited to announce a special lecture and demonstration on the topic "Thermal Therapy: An Alternative to Formal Medical Treatment" by NUGA BEST. This session aims to introduce you to the benefits and potential applications of thermal therapy and a complementary approach to conventional medical treatment.

Details of the event:

- Gain insights into the concept of thermal therapy and its role in promoting overall wellbeing.
- Learn about NUGA BEST technology and how it harnesses the power of heat for various health benefits.
- Witness a live demonstration of NUGA BEST Thermal Therapy equipment(s) and its potential effects.
- Engage in Q & A session with an expert presenter to clarify your doubts and enquiries.

This event is open to all, who are interested in exploring holistic approaches to health and wellness. It's a great opportunity to expand your knowledge beyond conventional medical practices.

We look forward to your active participation.
